alplmlogo

The **Abraham Lincoln Presidential Library & Museum** (<http://alplm.org/>) has generously offered free admission to youth with autism spectrum disorder and one accompanying parent/adult chaperone in celebration of Autism Awareness Month. **In order to receive the free admission you must contact TAP at 217-525-8332 before March 22.** We will not be able to add any additional guests after that date. Please note that you must be on the list...no free admissions will be granted on the day of the event. Siblings or other family members will be charged the full admission price.

Staff of the TAP Service Center at **The Hope Institute** (<http://www.thehopeinstitute.us/>) will be on hand to answer questions about autism and provide information about ASDs and our programs.

We will also provide a "cool down" area for youth who need a break from the sensory stimulation of the museum.

We hope you can join us for this fantastic Autism Awareness Month event!
